Our online service time will remain the same. The links for participating in the webcast will be sent to members by email or WeChat. People can also find the links on our church web site. The format of small group meetings can be decided by each group. Communicating through the web is available. Although our communication and interacting format will change during this period, our love and care for each other will remain the same. We pray that God will protect each one of us. If there are any changes, we will notify everyone.

7. We thank God that during this special time we can use the internet technology to continue our worship and fellowship. We are happy to see more people be able to participate in various meetings because of the convenience. Since this is new to all of us, we would like to remind our congregation a few things in using the technology.
    - Please add your names when you join the meeting, so we can welcome you and acknowledge your presence.
    - Participating from home may make us treat worship casually. Therefore, we'd encourage everyone to prepare your heart and dress appropriately to participate as you would do it in church. Please refrain from eating during service or prayer meetings. Find a quiet place to minimize the distraction. Please turn on the video when possible, so everyone can see each other as we are in church.
8. We would like to invite you to join our online prayer meeting at 7:30 pm on Thursdays. In this critical moment, let us pray together for the people and the country; ask God to listen to our prayers and guide us to walk in His truth.
